Information Form For Interment in Memorial Garden

You also have the option of having a bronze plaque with space for name(s) and date(s)- (birth, death or date of interment) only. The lead time for this engraved plaque is 2-4 weeks. The fee for this plaque is \$250. Once it is engraved and delivered, no additional names and dates can be added. Another plaque with a fee of \$250 would need to be ordered for any future family members wishing to also be interred here. Anyone wanting to order one plaque for more than one family member can do so but all the engraving has to be done at the same time. You may prepay for a plaque in advance of the need by documenting that it is to go into the Memorial Garden account. The funds will be reserved, designated only for this purpose. The plaque will be ordered when needed. The size of the plaque is 2" X 7". Letter maximum per line is 23 (including spaces). The information will be limited to name(s) and date(s).

Here is a sample for your convenience. It is critically important to the integrity of the Memorial Garden that all fonts, type size and the style remain consistent.
